

Group 3

Mason Buller, Margaret Shimerdla, Javonta Young, Julio Cruz

Bacchus Winery

Business Rules

Distributors must be able to order online and track shipments

Must have an efficient method to keep track of and order supplies

Must be able to track inventory, distribution, and employees

Must be able to see employee time for the last four quarters

Must be able to see expected delivery and actual delivery time

Assumptions

All deliveries are on the first of the month

Chablis is the wine that doesn't sell well

Roz Murphy never comes to work

Online ordering is in a different database

Everything is ordered online
